

**LAUREA MAGISTRALE A CICLO UNICO (One-tier Master Degree) in
CHIMICA E TECNOLOGIE FARMACEUTICHE
(Pharmaceutical Chemistry and Technology)**

Degree	Laurea Magistrale a ciclo unico (Single Cycle Degree)
Duration	5 years
Language	ITALIAN
ECTS credits	300
Campus	Camerino
Programme description	The degree course qualifies graduates to work principally in pharmaceutical, food, and health products industries. The course provides advanced theoretical and practical training in every sector of the multidisciplinary process that starts with design of potentially active molecules, and leads on to synthesis, testing, registration, manufacture and control, and marketing of a drug. In addition, the course qualifies graduates for the profession of pharmacist.
Study plan	Refer to the course sheet in Italian.
Admission and Enrolment	NATIONALS and EU-CITIZENS: a.y. 2018-19 enrolment is officially open from 16 July to 5 November, 2018. After this date, in special cases enrolment is possible until January 2019 with the payment of a penalty. NON-EU CITIZENS, who reside abroad, pre-admission applications from January to April. In the period March-July students must pre-enrol at the Italian Embassy in their home country. Further information at https://international.unicam.it/full-time-students/non-eueaa-citizens .
