Description of the activities:

During my exchange program at the University of Camerino (UNICAM), I had a truly wonderful experience. I would like to express my sincere thanks to UNICAM and Ton Duc Thang University for their warm and enthusiastic support throughout my study and life here.

In particular, I am deeply grateful to Ms. Sara, who was always patient and dedicated in helping me with many administrative procedures. At the beginning, everything was quite unfamiliar and made me anxious, as it was a completely new environment. However, thanks to her guidance and wholehearted support, other students and I were able to adapt and settle in quickly. Everything, from accommodation to transportation, was well-arranged.

Regarding study and research, the professors and friends at UNICAM were extremely supportive. I had access to rich academic resources, modern laboratories, and insightful seminars. This was a great opportunity for me to improve my research skills, exchange ideas, and apply knowledge to practical projects.

Life in Camerino and Italy brought me many beautiful memories. The peaceful city, stunning scenery, and friendly people made me feel at home. I also had the chance to travel to several places in Italy and across Europe. I was amazed by the historical charm of Rome, the romantic beauty of Venice, and the vibrant culture of other cities I visited. Yet, among them all, Camerino remains my favorite, a serene and welcoming town filled with countless memories that I will always hold dear.

My experience at UNICAM not only provided me with new knowledge and skills but also gave me the chance to discover new cultures, make friends, and grow as a person. This is truly a meaningful and memorable chapter in my life that I will always treasure.
